

2020 VICTORIA UNIVERSITY POLYTECHNIC COURSE FEES

RTO Code: 3113

Current as at: 28/08/2020

Eligibility and fee information for students

Through Skills First, eligible students can apply for a Government subsidised place and if successful, can access a reduced tuition fee. If you are offered a Government subsidised place, you will need to prove your eligibility prior to your enrolment being confirmed. Further details regarding the amount of subsidy you will receive towards your course will be included in your Statement of Fees which will be provided to you prior to enrolment. If you are not eligible for a Government subsidised place, you will be charged the full-fee tuition fee for all enrolled hours.

Eligibility exemptions

If you do not meet the Skills First eligibility criteria for a Government subsidised place, you may be able to access a Government supported eligibility exemption. These exemptions are available to students applying to commence their course after 1 January 2020. The easiest way to find out if you are eligible for an exemption to the Skills First eligibility criteria, is to get in touch with us on 1300 82 33 87.

Free TAFE Initiative

Eligible government subsidised students will not pay course tuition fees in selected courses as a way of reducing the financial barriers for students wanting to train in courses that have been identified by the State Government as the occupations that are most needed by employers in the Victorian economy. Further information about the Government initiative and eligibility requirements can be found here: <https://www.vupolytechnic.edu.au/free-tafe>

Material fees

The material fees provided in this schedule for each course includes only those materials provided to you and excludes any materials you may have to purchase in addition to this. Details of any materials you will be required to purchase will be provided to you prior to enrolment.

Paying your fees

You must pay your tuition fees by the due date indicated on your Statement of Account/Invoice, which can be accessed via MyVU. Payment options available include:

- For eligible students enrolling in a Certificate IV or below course OR for eligible students enrolling into a Diploma or above course where the course is not on the approved VET Student Loans course list or the student is ineligible to access a VET Student Loan:
 - a payment plan where you are able to pay your tuition fees, material fees and SSAF in instalments, or
- For eligible students enrolling in a Diploma or above course that is listed on the approved VET Student Loans course list and the student is eligible to access a VET Student Loan:
 - a payment plan where you are able to pay your material fees and SSAF in instalments, and/or
 - a VET Student Loan for eligible students who commenced their course.

More information about VET course tuition and material fees and your eligibility for a Victorian Government subsidy is available at: <https://www.vupolytechnic.edu.au/fees-scholarships>.

More information about VET Student Loans is available at:

<https://www.education.gov.au/information-vet-student-loans-students>

Concession

If you are accessing a Government subsidy, a Government concession may be available to you provided you meet additional eligibility criteria. If this criteria is met, you will be charged the concession rate which is equivalent to 20% of the tuition fee. Under the indigenous Completions Initiative and the Asylum Seeker VET Program, students are charged the concession rate for Government subsidised training at all course levels (including Diploma and Advanced Diploma). You cannot apply for a Government concession if you are enrolling into a course as a full-fee or international student.

Recognition of Prior Learning / Credit Transfer

Recognition of Prior Learning for a unit(s) within the enrolled course will be charged at the standard tuition fee rate for Government subsidised students and at 50% of the standard tuition fee rate for full-fee students. Credit Transfers are free of charge for both Government subsidised and full-fee students.

Withdrawal / Refund

If you wish to cease or take a break from your studies, you must formally withdraw from your course by signing a TAFE Withdrawal Form. If you do not formally withdraw by the withdrawal date relevant to your course, you will still be liable for all fees. Please contact your teacher or teaching area Manager to discuss and complete your withdrawal. Further information can be found here: <https://www.vu.edu.au/current-students/your-course/fees/refunds>

The SSAF for vocational education students is charged as a flat fee per calendar year based on where you are studying and whether you are eligible for a concession, with an overall maximum fee cap. The SSAF must be paid upfront upon enrolment.
